

# Grange Park – Main Car Park and the Overflow Car Park

- Please be aware that the car park can get full on a Sunday with both Kirk Deighton Rangers Junior Football and Wetherby Rugby at Grange Park.
- To support the car parking process each age group provides a volunteer car park marshal to ensure people park in allocated spaces to maximize capacity.
- When full, the car park marshals will ask visitors to turn back and use the overflow car park.
- If you are directed to the overflow car park by the car park marshal please do so respectfully.
- If needed players can be dropped at the entrance to the main car park to ensure on time arrival, drivers can then park their car in the overflow car park.

# Grange Park – Main Car Park and the Overflow Car Park

- The Overflow Car Park is located on Boston Road just before you turn left for Grange Park (*assuming you are coming from the North*).
- The image on the right shows the location and the estimated time it takes to walk to the Grange Park Clubhouse.
